ABOUT US

The Viva La Mujer Event stands as an annual market and celebration held in March, paying homage to Women's History Month. Our primary objective is to establish a positive and uplifting environment that champions women artists, crafters, and small businesses. This is achieved through collaborative efforts, as we unite to showcase the unique talents of women and extend a warm invitation to the community to join us in celebrating the creative and entrepreneurial spirit of women at our vending events.

Viva La
Mujer
